End Date: 28.Feb.2023

Results Statement

Status (most recent update: ● Met

As-of Date: 15.Dec.2022

UNICEF WASH Programme continued to support provision of essential water supply and sanitation services to Syrian refugee populations residing in informal settlements, along with construction of strategic WASH infrastructure in Lebanese host community providing job opportunities for Syrian and Lebanese populations. The public water supply and wastewater systems were severely affected by limited power availability. UNICEF continued to support essential repair and maintenance to keep the water flowing. A major cholera outbreak affecting both Syrian refugees and Lebanese host community necessitated a large-scale WASH response.

Indicator Details

Indicators	Baseline		Target		Status	
	Year	Value	Year	Value	Year	Value
Refugee (in and out of camp) returnee and host community populations (with disaggregation if available) are served with safely managed water services as a result of UNICEF/UNHCR support, Number	2019	0	2022	283164	2022	279073
National WASH Policies, Plans and Budgets are inclusive of all children including refugees and host communities with provisions for emergency preparedness and response (including COVID 19 response) , Text	2019	0	2022	2	2022	4
# of refugee (in and out of camp), returnee and host community populations (with disaggregation if available) served with basic+ water services as a result of UNICEF/UNHCR support, Number	2019	0	2022	327164	2022	763236
Number of people accessing a sustainable drinking water service in the reporting year only (24-01-L3-16), Number	2016	690711	2022	207985	2022	266687
UNICEF-targeted population in humanitarian situations accessing sufficient quantity of water of appropriate quality for drinking, cooking and personal hygiene (24-02-L3-29), Number	2016	159556	2022	1071858	2022	266687
Number of men and women, girls and boys, who gained access to basic sanitation services in the reporting year only, as a result of UNICEF direct support, Number	2017	0	2022	467000	2022	264267
# of affected women/men benefiting from WASH-livelihood opportunities(57501), Number	2017	0	2022	1945	2022	551
# of affected men/women/girls/boys assisted with temporary access to adequate quantity of safe water for drinking and water for domestic use(62905), Number	2017	0	2022	1007585	2022	492510
# of affected men/women/girls/boys with access to improved safe sanitation in temporary locations(47259), Text	2016	160256	2022	1021557	2022	271593
# of individuals (disaggregated by sex and age) with special needs with access to improved WASH services(47263), Text	2016	4829	2022	10622	2022	180
