Terms and Conditions

UNICEF applies the principles and requirements of the UNDG HACT Framework and the UNICEF HACT Policy and Programme Implementation Procedure to assess risk and obtain assurance that the funds transferred to implementing partners are used to achieve results as intended. The approach to risk management is determined by UNICEF offices based on factors such as programme context, risk profile of partners, program activities, locations, and other relevant considerations. This may involve capacity assessments, varied cash transfer modalities, programme monitoring, and financial assurance measures (spot checks, scheduled audits, or special audits). UNICEF collaborates with implementing partners to effectively carry out the necessary assessments, monitoring, and assurance activities.
