Goal and Result Area	
Goal Description	Result Area Description
31 - Survive and Thrive	31-05 - Mental health and psychosocial well-being
	31-02 - Immunization services as part of primary health care
	31-07 - Nutrition of adolescents and women
	31-08 - Early detection and treatment of malnutrition
	31-04 - Health and development in early childhood and adolescence
	31-06 - Nutrition in early childhood

Specific Intervention Codes
SIC
31-08-01 - Early detection and treatment for children with life-threatening wasting

Implementing Strategies
Strategies
001 - Systems strengthening and institution building
002 - Advocacy and public engagement
003 - Developing and leveraging resources and partnerships
005 - United Nations working together
006 - Fostering innovation and use of new technologies
007 - Evaluations, research and data
080 - Systems strengthening to leave no one behind

## Terms and Conditions

UNICEF applies the principles and requirements of the UNDG HACT Framework and the UNICEF HACT Policy and Programme Implementation Procedure to assess risk and obtain assurance that the funds transferred to implementing partners are used to achieve results as intended. The approach to risk management is determined by UNICEF offices based on factors such as programme context, risk profile of partners, program activities, locations, and other relevant considerations. This may involve capacity assessments, varied cash transfer modalities, programme monitoring, and financial assurance measures (spot checks, scheduled audits, or special audits). UNICEF collaborates with implementing partners to effectively carry out the necessary assessments, monitoring, and assurance activities.
