Results Statement

Status (most recent update: ● Met

As-of Date: 01.Feb.2023

UNICEF continued to provide high-level technical advice, technical expert consultants and logistics support to federal ministries, provincial departments and sector partners and engagement with private sector. The support provided includes advocacy at the strategic level, sector coordination and convening, advisory role, representing the sector, capacity building and holding/facilitating international, regional, national and provincial WASH events. The support underpinned WASH programmatic achievements despite all the challenges posed by floods, public health diseases.
