

Business Area: 3920 - Somalia

Output ID: 3920/A0/08/003/002

Output Title: 2 - WASH SERVICES IN COMMUNITIES

Full Output Statement: By 2025, more people in targeted rural and poor urban areas have access to sustainable and affordable safely managed Water, Sanitation, and Hygiene (WASH) services, which contributes to Climate Change, Disaster Risks And Environmental Degradation, Reducing Child Poverty, Safe And Equitable Water, Sanitation And Hygiene Services And Practices, Safe And Equitable Water, Sanitation And Hygiene Services And Practices (Covid), Water, Sanitation And Hygiene Systems And Empowerment Of Communities, Water, Sanitation And Hygiene Systems And Empowerment Of Communities (Covid). UNICEF aims to achieve this through Community Engagement, Social And Behaviour Change, Developing And Leveraging Resources And Partnerships, Fostering Innovation And Use Of New Technologies, Systems Strengthening And Institution Building, Systems Strengthening To Leave No One Behind. This contributes to the following Country Programme result: By 2025, more children and their families, particularly in rural and poor urban areas and in humanitarian situations, use affordable, sustainable and safely managed water and sanitation services, practice safe hygiene behaviours.;en^1

Start Date: 01.Mar.2021

End Date: 31.Dec.2025

Results Statement

Status (most recent update: ● On-track

As-of Date: 15.Dec.2023

To ensure more people in targeted rural and poor urban areas have access to sustainable and affordable safely managed WASH services, UNICEF reached an estimated 730,263 (99 per cent of target) people, of whom 153,000 are women and 442,000 are children, with access to basic drinking water services. To prevent the spread of diseases (diarrhoea, cholera, typhoid, dysentery) which affect the physical and mental development of children, UNICEF's rural sanitation flagship project for the attainment of Open Defecation Free (ODF) communities reached 17,100 (34 per cent of the target) people and 46 (out of the planned 50) villages certified ODF

Indicator Details

Indicators	Baseline		Target		Status	
	Year	Value	Year	Value	Year	Value
Number of communities certified free of open defecation in the reporting year only as a result of UNICEF direct support, Number	2020	76	2025	30	2023	46
Number of people that have access to at least basic water supply services as a direct result of UNICEF support, Number	2020	215305	2025	1200000	2023	730263
Number of urban water supply systems with Public Private Partnership (PPP) supported through UNICEF direct support., Number	2020	14	2025	20	2023	17
Number of people using basic sanitation services, as a result of direct UNICEF support (CLTS), Number	2020	37339	2025	150000	2023	28561
